

# MARDYKE VALLEY GOLF CLUB VENUE HIRE STANDARDS

The hirer is responsible for observing the following and ensuring the facility must be left as described below as per 'Conditions, Rules and Regulations of Hire – Issue No.1 July 2013:

- Ensuring all parties adhere to the agreed times as stated on the booking form, with the function terminating and the venue being cleared within the agreed times.
- Ensuring the acceptable conduct and behaviour of their guests at all times during the period of hire.
- Any damage, theft or loss from Mardyke Valley Golf Club sustained directly resulting from the hire may lead to deduction or forfeit of part or all of the hirer's standard deposit and may lead to Mardyke Valley Golf Club seeking to reclaim costs as stated in the 'Conditions, Rules and Regulations of hire' – damage also includes the use of confetti (see clause 22).
- Although post event cleaning of the venue is included within the hire charge, Mardyke Valley Golf Club expects the venue to be maintained at a reasonable level of cleanliness during the event.
- The use of the on-site kitchen facilities is not permitted during the course of the hire period.
- The removal of any remaining buffet items at the end of the event.
- This list is by no means exhaustive and other factors of misdemeanours that are deemed against the interest of Mardyke Valley Golf Club and affect the efficiency of the function room will also result in the loss or deduction from the 'Hirer's Standard' deposit.

**Failure to comply with the above will result in retention of part or all of the 'hirer's standard deposit, prejudicing future hire.**
